

B2 Seat Dimensions

B2 seats are matched to bracket sets TB1, TB4, TB108, TBFIAO8. These brackets have a 8° from vertical angle, which matches the angle on the side of the seat. Brackets which do not match this angle will unduly stress the composite.

The B2 weighs approximately 3.2 kg uncovered and 4.2 kg with Dinamica suede panels. B2 XL size also available to special order.
